How do I change the AppleID on the iPad?

At some point the iPads at your school will need to be updated. To update your device you will need to change the AppleID.

Step 1: Open Settings on iPad

Step 2: Select **iTunes & App Store**

Step 3: Touch the Apple ID box at the top

Step 4: Select **Sign Out** from Pop up.

Step 5: Touch the **Create New Apple ID** or add yours if you already have one.

You need to sign out of the **FaceTime** app as well.

Step 1: Select **FaceTime** from Settings

Step 2: Select **Sign Out** from Pop up
